2. ANNOUNCEMENT BY THE PRESIDENT OF A MESSAGE FROM HIS HIGHNESS THE MAHARAJA

Mr. President : I have a Message from His Highness the Maharaja.—

"I have always made it clear that in my view, any further extension of Responsible Government within the frame-work of the present Constitution will be worthwhile only if there is co-operation from the parties in carrying on the interim Government until the new Constitution comes into force. I have given my best consideration to the Memorandum presented by the Leaders and heard their personal representations and am convinced that they are genuinely desirous of co-operating with me in order to achieve the common goal and to carry on the Government in the meanwhile.

In view of the attitude I am glad to announce that after mature consideration and after consultation with my Diwan, I have decided to transfer to Ministerial control the following Departments also.—

Education, Public Works, Land Revenue, Excise, Industries (reserved portion), Publicity, Forests, Food and Textile Control and Income-tax.

As foreshadowed in my Message at the time of the Installation, the practice of Cabinet Discussion will be brought into force at once.

I hope the Ministers will work in harmonious co-operation with the Diwan and show by example and practice that Responsible Government can flourish here".

Mr. P. Govinda Menon *(Ernakulam):* Sir, I move that the House may adjourn after hearing the Message. We have heard the Message.

Mr. M. K. Raja *(Mulakunnathukavu):* I second it, Sir.

Mr. President : Is that the wish of the House?

Mr. Parambi Lonappen *(Irinjalakkuda) :* I also support this, Sir.

The House adjourned at 12-34 p.m.
